

# PHOTOGRAPHY MODEL/FIELD TRIP AGREEMENT

We grant The Brookwood School unrestricted use of photo images of our child(ren) and family members in the composition of marketing communication materials used to promote recruitment for and provide general information about the school. It is understood that photo images will be used (among others) in PR releases, recruitment posters, flyers and brochures, school life information materials, promotional materials for special curriculum activities, and WEB site development.

To supplement classroom experiences, The Brookwood School encourages students to go on field trips. Although we work hard to keep the costs of these trips down, the charges must be paid prior to the field trip.
