Brookwood's SummerCare program offers children a variety of exciting activities in a creative environment. Caring, well-trained staff direct a variety of traditional day camp activities such as arts and crafts, cookouts, group games, plenty of outdoor time, optional field trips, nature hikes, and an optional sleepover. Our spacious playgrounds and 23-acre campus provide an awesome opportunity to explore nature, learn new skills, and build lasting friendships.

Field Trips

Field trips are a big hit of our SummerCare program. Although we work hard to keep the costs of these trips and events down, additional charges may be necessary. Because there may be an additional charge, some of these trips will be optional. We therefore ask that campers sign-up and pay for these trips ahead of time so we know how many will be going. *Each camper receives a t-shirt to be worn on all trips.
