- You may also meet with our finance department to fill out paperwork and set up payments. Financial assistance may be available for full time, full day enrollment, and you are welcome to find out about it. *Anyone may apply for Financial Aid.
- Classroom placement will be set.
- Once you have completed the enrollment process, you will get login information to our Procare attendance system and a code for the door.

We work to personalize the process for each family by providing the communication and information you need for the age and stage of your child. We understand and focus on the fact that infant care is very different from

our preschool programs and that every family is looking to meet their individual needs.

Let us know how we can help. We want to hear from you.
